Our Centre History

Competition commenced in Tasmania in Launceston, 1973. August 1973 saw the inaugural meeting of Little Athletics in Launceston and the executive for the Launceston Little Athletic Centre was announced under the guidance of Mr Les Capes, from Western Australia who had been involved in Little Athletics in that State. In the following month – 27th September 1973, an Annual General Meeting was held at the National Fitness Council Rooms and the first ‘Committee of Management’ for Little Athletics in Tasmania was elected. That first committee included many people who are still involved in athletics in the North of the State, including Andrew Willis who is a continuing patron of Little Athletics. ·Registration for 1973/74 : 394

YOUR NEED TO KNOW INFORMATION

All Launceston Little Athletics Centre Committee and Officials are volunteers.

PARENT / FAMILY ASSISTANCE REQUIRED

For each meet we request parent / family assistance to set up and pack up gear and equipment. We run a roster covering all age groups throughout the season and will post on Facebook in the days prior to each meet letting you know which age group is requested to assist that week.

Officials are trained in correct event techniques, but for each event to run smoothly and efficiently we also need several parent / family helpers for other tasks - such as - retrieving implements, measuring and recording.

The only requirement for helpers is a current WWVP (Working with Vulnerable People) registration and enclosed footwear. These tasks require no training and the Official onsite will always be there to assist and guide you if you are unsure, so please offer your assistance wherever possible. If you are keen to learn any other roles or assist further at the Centre, please let us know, we are always happy for more help!

HOW DOES A MEET USUALLY RUN?

07:15 set up begins, 08:15 warm up begins, 08:30 first events are called.

Each age group can expect to compete in two or three running events, one throw event and one jump event at each meet.

We have three different programs of events which we alternate through so that each event is offered numerous times throughout the season. Details of the three programs can be found on page 10 or on the website.

The Arena Manager will call each age group and event for marshalling and that group of athletes will attend the site with an Official along with parent / family helpers.

Saturday morning meets: each athlete has three attempts in field events.

Twilight meets: each athlete has two attempts in field events.

Run time of each meet differs depending on which program is being run and any possible delays - weather / technical / number of helpers, however most normal meets are concluded by about midday. (Championship / special meets will run longer).

Throughout the season we have a number of special meets, these include:

- Coles Community Round
- Centre Combined Championships
- Centre Handicap 100m race
- TAL Handicap meet

As well as our Centre events, athletes are invited to attend LATas events which include:

- Coles Summer Series (Hobart, Launceston and Penguin)
- State Relay Championships
- State Combined Championships
- State Individual Championships (if qualified)

FACEBOOK UPDATES

LLAC is very active on our Facebook page throughout the season with lots of reminders and updates frequently being posted - please follow to keep up to date with all the latest.

FUNDRAISING

Our major fundraiser each year is a Christmas Raffle. We ask for contributions from families and sponsors. Each athlete will be given a raffle book to sell, and additional books are available should you be able to sell more than one. All proceeds from the Christmas Raffle support our Centre directly.

At twilight meets we often hold a BBQ so athletes and families can enjoy a BBQ dinner throughout the evening. All money raised from the BBQ's also support our Centre.

Centre Rules

- Children **MUST** be under supervision of a parent or nominated person at all meets.
- Hats are compulsory for all athletes when not competing.
- Correct Centre uniform must be worn by the athlete's third week of competition.
- U11 - U12 athletes may wear spikes for laned running events, javelin and jumping events only. Spikes must be carried to and from sites.
- U13 - U15 athletes may wear spikes for all events except walks. Spikes must be carried to and from sites.
- U11 - U15 age groups no longer have sand on the board for Long & Triple jump.

CENTRE CHAMPIONSHIPS

The focus at this Centre is participation and doing your personal best.

At the end of each season and prior to LATas State Championships, we hold Centre Championships. These are held over the last three Saturdays of the roster and include medal and ribbon presentations.

CHAMPIONSHIP MEET REQUIREMENTS

To compete for a placing in Centre Championships athletes must:

- be registered
- be in full Centre uniform
- display their LATas badge/s correctly
- have competed twice in the event at this Centre throughout the current season

Note: All athletes can participate; those not eligible to place will receive a competitor ribbon.

Launceston Little Athletics wish to thank the following sponsors

Major Sponsor - Centre Championships

Greenwise Constructions is a family-owned business established in 2004. Led by Director and Builder Erik, who brings over three decades of experience in the joinery industry. Our company is built on a foundation of craftsmanship and attention to detail.

We specialise in the construction of architecturally designed, custom-built homes that reflect the highest standards of quality and design. In addition to bespoke residential projects, we also offer expert services in renovations, extensions, and commercial developments - delivering tailored solutions to meet the unique needs of every client.
